

Sample Messaging for Postcards

- Resettlement is a core American legacy that extends freedom and opportunity for refugees to rebuild their lives in safety and dignity.
- Refugees are mothers, daughters, fathers and sons who have escaped unimaginable violence and are in need of a safe, peaceful and secure home—free from discrimination.
- Building welcoming communities is at the heart of Georgia's humanitarian, faith and civil rights histories.
- 87% of refugees are fully self-sufficient within 180 days of arrival in Georgia.
- Refugees are quick to find jobs for themselves and create jobs for others, contributing to the economy by paying taxes, supporting local commerce and renting or buying homes.
- Becoming a more welcoming community means more customers for our local businesses, more jobs created by immigrant entrepreneurs, and a thriving economy that benefits us all.
- Refugees are immigrants to the United States who are fleeing their homeland because of persecution and are invited here by the American people.
- Refugees are fleeing the violent extremism that our country is fighting to defeat.

As always, these messages are just to give you an idea! Don't forget to share a personal story about why YOU support refugees, or your own family's story!
